

Declaration of Performance (DoP) Website

The screenshot shows a web browser window with the URL <http://www.forticrete-ce.co.uk/>. The page features the Forticrete logo and a navigation menu with 'Declarations of Performance' and 'Factory Certificates'. A search bar is present with the text 'Search by product code or name' and a 'Search' button. The main content area is titled 'Declaration of Performance Information Resource' and contains text explaining the CPR requirements from July 2013. Below this is a 'Browse by category' section with eight product categories, each with a representative image and a caption: Architectural Masonry, Architectural Masonry Special, Cast Stone, Roofing, Walling, Roofing (Not CE Marked), Cast Stone Structural Heads, and Cast Stone (Not CE Marked). A partial image of colorful blocks is visible at the bottom left.

Forticrete®

Declaration of Performance Information Resource

From 1st July 2013, under the Construction Products Regulation (CPR) it will become mandatory for manufacturers and distributors to declare the performance and apply CE Marking to any of their products which are covered by a harmonised European Standard (hEN).

This site has been provided to help you find Declaration of Performance (DoP) information quickly and easily for our products.

Any products that do not fall under the scope of a harmonised European Standard, which must not carry CE Marking, are indicated.

For assistance please contact technical@forticrete.co.uk

Searching

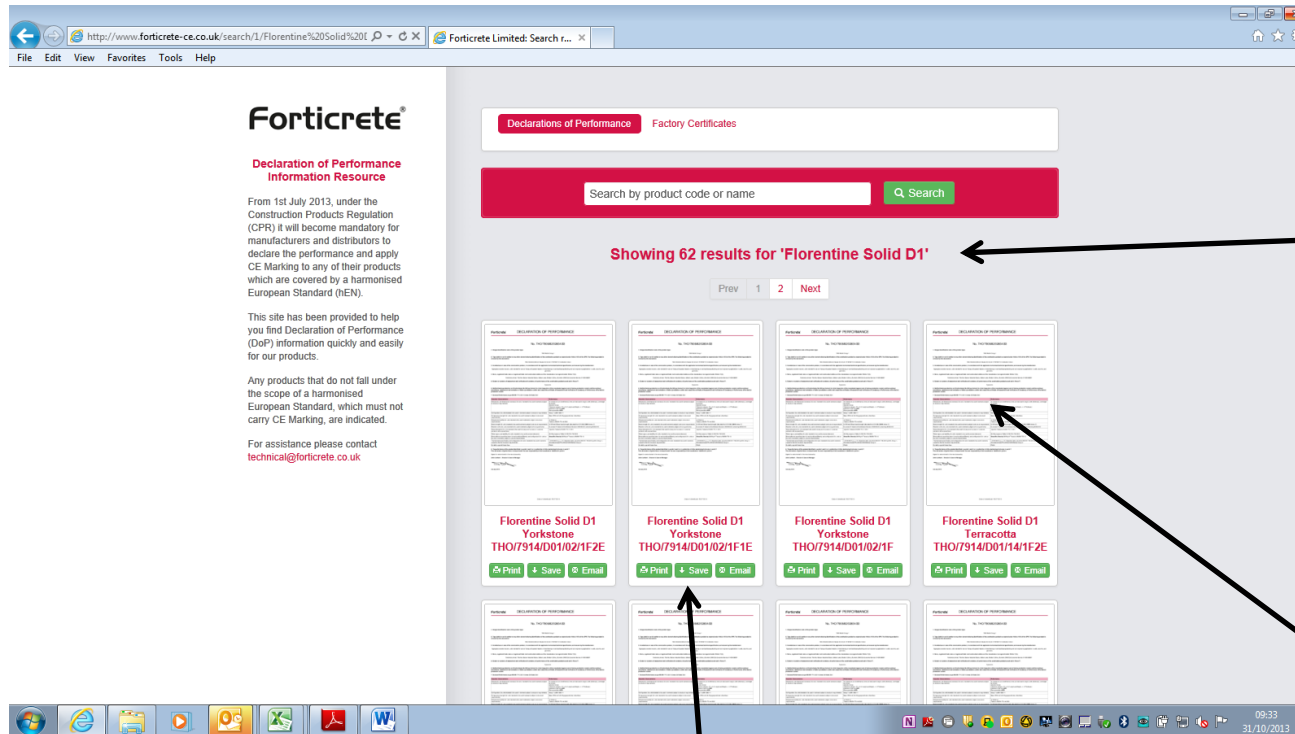

Enter Product Description or Code Here

If the product appears in the auto-list select it from here.

If the product is not in the list just click the "Search" button taking care that nothing in the auto-list is selected

Search Results

The search should return the results displayed as thumbnails where appropriate. In this case the search has returned all of the results for Florentine Solid D1.

Clicking directly on the thumbnail will open the DoP in a new window

You can Print, Save as PDF, or Email the DoP using these buttons.
